

Training for digital competencies educators!

We invite you to a training course designed to prepare you to work in a multicultural environment. The meeting includes a substantive and practical part: the practical part involves conducting workshops with migrants.

For participation in the 3-day preparatory training and conducting a 3-day training for a group of migrants as a practical part.

Registration link: <https://bit.ly/trainingpfm>

We are accepting applications until July 29.
(Required availability: August 6-8 and 12-16, 2024).
